

The image shows three large, rectangular wooden planters made of light-colored wood, arranged in a garden. They are surrounded by lush green foliage, including bushes and trees. The text 'First-Quality Planters' is overlaid on the image in a white, sans-serif font. The background is a dense garden with various green plants and trees, creating a natural and vibrant setting for the planters.

Beautiful Banana Leaf

Banana Leaf Planters

The banana leaves are a feature of these pots. Once the leaves have been dried and prepared, they are applied to the pot like a patchwork quilt. Following this, various protective layers are applied.

Op deze potten zijn de bananenbladen goed zichtbaar. Nadat de bladeren zijn gedroogd en geprepareerd, worden ze handmatig als een lappendeken op de pot bevestigd. Daarna worden er diverse beschermende lagen aangebracht.

Natural Weave

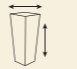

Natural Weave

The bark of the banana tree (abaca) is used to weave ropes. These ropes are then attached to the pots by hand. Following this, various protective layers are applied.

De schors van de bananenboom (abaca) wordt gebruikt om kabels van te draaien. Deze kabels worden handmatig op de pot bevestigd. Daarna worden er diverse beschermlagen aangebracht.

Black Colour Weave

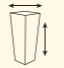

Black Colour Weave

The black colour weave is made the same way as the natural weave. Once the pot is complete, it is sprayed with black lacquer.

De productie van de black colour weave is gelijk aan die van de natural weave. Als de pot helemaal klaar is, wordt er een zwarte lak overheen gespoten.
